

## Testimony from the mission outreach to Estonia „Tapa 2014“

### Veronika Pazderová (23)

Mission trip Tapa 2014 was incredible experience for me. First of all, I believe that this trip was my answered prayer and my desire came true. I prayed for opportunity to use my last experiences with Jesus Revolution for God. I wished to go to real mission trip to abroad. After two weeks my pastor had called and told me about suggestion from Paul Neustupny. I believed that it was the answer and gift from God.

Whole mission trip exceeded my expectations and I enjoyed it a lot. I was so happy and excited when I could use my talents for serving to God. I was really enjoying the afternoon programmes in tent and singing, dancing or acting for kids. Follow-up workshops I liked as well and each of them was so creative in different way. Also I was enthusiastic because of worship band which was put together in Estonian. Before trip I was little worried because I knew that we had just one solo instrument – violin and two singers. However God led whole worship ministry in awesome way.

For first time I had opportunity be part of evangelisation called – Treasure Hunt. I am really glad for this experience. Every hunting was special. First day I believed I found „my treasure“ according clue which was written down on paper. Next days I could be witness how other people found their treasures and our clue complement each other and it was great.

Finally I have to mention that like many others I was touched the generosity of Kivisild family as well. They open their house for us for whole week and took care of us incredible way. Also excitement of Neustupny family and their love to Estonian was really inspirational. It is incredible that during mission trip organized for us trips to lake and Baltic sea. I really appreciate it.

I am really glad and grateful that I could be part of this mission trip. God was touching my heart throughout the whole trip and thank God that brought me there. I've realized again during this trip that staying in God's will is the best decision what we could decide for because He led our life in the best direction and prepared good things for their children.
